Road to Glasgow

Looking ahead to the UK's first UN climate summit

Latest

Welcome to our newsletter - and yours!

Welcome to the first edition of our newsletter looking along the road to Glasgow 2020 - the UK's first UN climate summit. In the coming months we'll be bringing you regular updates on events, issues and perspectives relevant to the summit - whether looking at the UN talks themselves, the UK government's moves to speed decarbonisation in advance of the summit, public engagement, or anything else. But we want this to be your newsletter too - to help carry your news and views to the growing community interested in the summit. If you'd like to propose an article or make any other suggestions, please get in touch info@eciu.net - and please forward to anyone who you think might like to sign up (on our website)

UK agenda

Glasgow 2020 - a year ahead

November 2020 will see the UN climate change convention (UNFCCC) come to the UK for the first time, with Glasgow set to host the most important climate summit since Paris in 2015.

ECIU brought together voices from across civil society to discuss both the conference, and the state of play... .. [Read more](#)

From harm to healing: Advertising on the road to Glasgow 2020

Picture a scenario. You are returning home from work. You approach your street. You notice something is not right. You can smell smoke. You turn the corner and see that your house is on fire.

As you start running towards it, a neighbour comes out and tells you your house is not on fire. Blinking in disbelief, you point to your house. Your neighbour shows you his phone. A headline flashes up: 'Claims that house on fire alarmist'....
